ABSTRACT

This phrasebook with wordlist is designed for speakers of Haitian Creole who are immigrants to the United States. The English phrases presented are grouped by subject and selected for their directness, brevity, and relevance to the needs of newly-arrived residents. Most are presented in the form of brief, two-line dialogues. Phrases and supplementary vocabulary in the 19 topical units cover a wide range of situations and introduce new residents to the daily activities of American life. Words and expressions that accomplish the most important language functions of the unit are underlined. The book is intended not as a textbook but as a handy reference for immediate use when English words or phrases are needed. Unit topics include: coping with the language barrier; useful forms of etiquette; giving information about oneself; recognizing signs; weights and measures; using numbers; dealing with money; dealing with time; locating things; describing things and people; doing things; going places; conveying information; health; food; clothing; housing; jobs; and schools. English-Haitian Creole and Haitian Creole-English wordlists are appended. (MSE)

INTRODUCTION

The English phrases in this book are grouped by subject and have been selected for their directness, brevity, and relevance to the needs of newly arrived residents of the United States. They are, for the most part, presented in the form of short, two-line dialogues.

The phrases and supplementary vocabulary in the 19 units cover a wide range of situations and serve to introduce new residents to the daily activities of American life. The underlined words and expressions are those which accomplish the most important language functions of the unit. The two wordlists provide terms which are frequently needed.

As with all phrasebooks, this one is not intended as a step-by-step textbook for learning English. It is intended as a handy reference book for immediate use when English words or phrases are needed.

This phrasebook is largely an adaptation of the *Vietnamese–English Phrasebook* (CAL, 1975) by Nguyen Hy Quang. It is based on needs which are common to virtually all refugee groups. This edition has been translated and adapted by Féquière Vilsaint and Maude Heurtelou.

ENTRODIKSYON

Mo ak fraz ki nan liv sa a, nou gwoupe yo pa sijè. Nou chwazi yo tou paske yo dirèk, yo brèf, paske tou yo ap itil pou yon moun ki fèk rive nan peyi Etazini. Nan prèske tout ka yo, nou prezante yo tankou yon ti konvèsasyon.

Fraz yo ansanm ak lis mo yo, kouvri diferan sitiyasyon konsa, liv la ka sèvi pou ede yon moun ki fèk vini pou li konprann lavi toulèjou isit. Mo ki souliye yo se mo ki enpòtan nan chapit kote yo ye a. De gwo lis mo yo se mo moun bezwen pi souvan.

Tankou tout lòt liv fraz, se pa yon liv ki pran ou pazapa pou montre ou kouman pou ou aprann Anglè. Men se yon zouti ki ap pèmèt ou defann tèt ou lè ou bezwen kèk mo osinon kèk fraz san pèdi tan.

Pou nou devlope liv sa a, nou te adapte yon lòt liv vietnamyen "Vietnamese-English Phrasebook" (CAL, 1975) Nguyen Hy Quang te fè. Li base sou mo nenpòt ki gwoup refijye taka bezwen. Tradiksyon liv sa a ki nan lang Kreyòl Ayisyen an se Féquière Vilsaint ak Maude Heurtelou ki fè li.
